MTSU COVID POLICY FOR INTERNSHIPS:

Students: If you and your internship provider agree, and if permitted by applicable public health guidelines, we will allow you to complete your internship in person or remotely and will relax the “in office” requirements if you and your internship provider choose to do so. However, the student will need to work remotely in their own home and not in the home of the internship provider. You shall share the plans you work out with your provider immediately with your faculty supervisor via email at dan.pfeifer@mtsu.edu. Timesheets will need to be uploaded via D2L or sent to your faculty supervisor via email. If you and your internship provider agree to complete an on-site internship, you do so at your own risk and you release MTSU and its agents and employees from any liability for any harm you suffer as a result of your decision to participate in the on-site internship.

Providers: To the extent possible, interns and other students working off-campus will be allowed to do so if the students and the internship provider agree and the faculty supervisors approve. The provider will be expected to follow, and require the intern to follow, all applicable public health guidance, including any required distancing or other health safeguards necessary for the protection of the student intern. If students are not comfortable working or if MTSU notifies the student and internship provider that on-site internships are terminated, the student should be excused and alternative arrangements made, if possible.

See me if you have any questions or concerns. Only students who have started their internships will be allowed a means to complete the course via alternate methods.

Students with Disabilities: Reasonable Accommodations for Students with Disabilities: Middle Tennessee State University is committed to campus access in accordance with Title II of the Americans with Disabilities Act and Section 504 of the Vocational Rehabilitation Act of 1973. Any student interested in reasonable accommodations can consult the [Disability & Access Center \(DAC\) website](#) and/or contact the DAC for assistance at 615-898-2783 or dacemail@mtsu.edu.

Academic Integrity: Academic integrity is a hallmark of Middle Tennessee State University. We expect students to complete academic exercises, i.e., assignments turned in for credit, that are original and appropriately credit all sources used. Academic misconduct includes, but is not limited to:

1. **Plagiarism:** The adoption or reproduction of ideas, words, statements, images, or works of another person as one's own without proper attribution. This includes self-plagiarism, which occurs when an author submits material or research from a previous academic exercise to satisfy the requirements of another exercise and uses it without proper citation of its reuse.
2. **Cheating:** Using or attempting to use unauthorized materials, information, or study aids in any academic exercise. This includes unapproved collaboration, which occurs when a student works with others on an academic exercise without the express permission of the professor. It also includes purchasing assignments or paying another person to complete a course for you.
3. **Fabrication:** Unauthorized falsification or invention of any information or citation in an academic exercise.

Going online and using information without proper citation, copying parts of other students' work, creating information to establish credibility, or using someone else's thoughts or ideas without appropriate acknowledgment is academic misconduct. If you have a question about an assignment, please ask me to clarify. All cases of academic misconduct will be reported to the Director of Student Academic Ethics and may result in failure on the test/assignment or for the course.

When students participate in behavior that is considered to be academic misconduct, the value of their education and that of their classmates is lessened, and their academic careers are jeopardized.

Civility: Please choose your words carefully and be mindful of differences in this classroom.

Title IX: Students who believe they have been harassed, discriminated against or been the victim of sexual assault, dating violence, domestic violence or stalking should contact a Title IX/Deputy Coordinator at 615-898-2185 or 615-898-2750 for assistance or review MTSU's Title IX website for resources. <http://www.mtsu.edu/titleix>

You Are Not Alone: As a college student, you may experience a range of challenges and issues that can interfere with your physical and mental well-being, hinder your academic experience, and negatively impact your daily life. Some of these experiences may include overwhelming depression/sadness, anxiety, high levels of stress, use of alcohol/drugs, difficulty sleeping, difficulty concentrating, and/or loss of motivation. If you or any of your classmates are experiencing these issues, it is important to reach out and ask for help. Discuss your situation with a friend, a family member, your instructor, or an academic advisor. Remember: Everyone struggles. It's okay to talk about it. Ask for help. YOU ARE NOT ALONE! For assistance contact MTSU Counseling Services, KUC 326S, 615-898-2670 (free for students) or MTSU Center for Counseling and Psychological Services, Miller Education Center, 503 East Bell Street, Suite 100, Murfreesboro, TN, 615-898-2271 (Free for students).
